Carrara 8

Now you can enjoy figure posing, modeling, landscape design, rigid and soft-body dynamics, animation and rendering all within a single application at an affordable price. Add a whole new dimension to your 3D art and animation with Carrara.

Carrara 3D Express

Carrara 3D Express introduces you to the world of 3D like no other software can. With an easy-to-use interface and plenty of presets to get you off to a quick start, you'll soon be creating your own 3D portraits, landscape art, and animations.

Carrara 8 Pro

You can do it all with Carrara 8 Pro. Model, UV-map, paint, pose, animate, generate terrains, skies, or waters, use rigid or soft-body dynamics, import or export, and render. Do it all with 64-bit, multi-core, multi-threaded, MAC or WIN OS - all within a single application at an affordable price. Do it faster, better, and at less expense than anyone else.
